EXPERIENCE

SrcLogix | MERN Stack Developer

Full-Time | Jul, 2020 – Present

- Working on a **Video chat & online meeting** web app which is using **AWS-Chime SDK**.
[AWS-Chime](#) | [AWS-S3](#) | [NextJS](#) | [ReactJS](#) | [NodeJS](#)

My roles:-

- Send/Receive chats during the Meeting, using **Data Message** (Data Messages is Real-time Signaling in AWS-Chime SDK).
- Share files in chat, Data Message supports only 2kb, so shared files are uploaded into a S3 bucket, then the link of that file is shared in chats.
- When users are started typing show an indicator with their names.
- Listing all the Participants present in the Meeting.
- Implemented Hand raising  feature.

- Working on a **Video chat-Admin Dashboard**, where admin can manage all the settings of the meetings.

[AWS-Cognito & Amplify](#) | [AWS-S3](#) | [NextJS](#) | [ReactJS](#) | [NodeJS](#)

My roles:-

- Admin can create & manage multiple Meetings & schedule Meetings, along with the settings (Enable Audio/Video recording, enable/disable Transcription, Meeting Promotional video, Meeting Logo & theme).
- Admin can check the previous meetings summary (participants attended the meeting, chat logs & recordings)

PROJECTS

- ❖ Noogle Contacts is a contact saving & managing web app.

[MERN Stack](#) | [REST API](#)

- Demo - <https://noogle-contacts.web.app/>

Codes:

- Front-End [React] –
 - <https://github.com/mdnmnahmed/noogle-contacts/tree/master/client>
- Back-End/API [NodeJS, ExpressJS, MongoDB] –
 - <https://github.com/mdnmnahmed/noogle-contacts/tree/master/api>

- ❖ Coding Posts is a Blog Web-App for writing Blogs upon Coding/Programming.

[NodeJS](#) | [ExpressJS](#) | [EJS-Template Engine](#)

- Demo - <https://coding-posts.herokuapp.com/>
- Codes: <https://github.com/mdnmnahmed/CodingPosts>

SKILLS

Languages

- JavaScript
- C++

Libraries & Frameworks

- ReactJS
- NextJS
- NodeJS
- ExpressJS

Databases

- MongoDB
- MySQL

Additional Skills

- Version Control-Git
- REST API Development
- MVC Architecture

Familiar with

- AWS-S3

EDUCATION

BCA 2017-2020
College: George College (**MAKAUT**)
DGPA: 8.01 

Higher Secondary 2015-2017
School: Islampur High School
Board: **WBCHSE**
Stream: Commerce/Computer Application
Percentage: 68 %
